Tudor Management Consultants Pvt. Ltd is a Hyderabad based company specialized in giving cost-effective IT, ITES & Non-IT recruitment & staffing solutions. We provide permanent, temporary and project life-cycle recruitment & staffing solutions with the team of professionals. Tudor Management Consultants is a continuously growing recruitment & staffing Services Company with highly professional approach to your recruitment needs. We specialize on turnkey assignments in all the areas of IT, ITES & Non-IT sectors of all domains with separate teams working on each of these domains to deliver the results on time bound targets.

OUR MISSION

To optimize human potential, increase happiness and maximize the engagement of people by providing superior solutions for understanding, acquiring, developing and retaining the talent.

OUR VISION

Our vision is to excel as a leader in Human Resource Outsourced Services by providing services with quality and reliability to the utmost satisfaction to our clients by delivering the right talent and consistently exceeding the expectations.

OUR TEAM

Some of the best minds and talent are a part of our team. Our team contributes enormously to Quality Unit's success by performing superb customer service. Every member of our support team is a valuable asset to our company

OUR VALUES

We achieve our Vision and Mission by consistently applying following values:

- 1. Teamwork with highly motivated professionals.*
- 2. Growth through excellence in Service.*
- 3. Empowerment and accountability coupled with Leadership and Innovation.*

SERVICES

We at Tudor Management Consultants believe that managing Human Capital is an interrelated concept. We have expertise in helping our clients manage and maximize talent from the time each employee is hired, through their development and by helping to implement retention strategies. Understanding how to manage each phase of the Talent Life Cycle which allows Organizations to create a working environment that is both productive and fulfilling.

Outsourcing Services

The areas where we can help you :

- ◆ *Permanent Positions.*
- ◆ *Contractual Positions.*
- ◆ *Contract to Hire Positions.*
- ◆ *Pay Role Process.*
- ◆ *Executive Background Check.*
- ◆ *Executive Training.*

TEMPORARY STAFFING

Becomes an efficient resource partner offering staffing solutions - facilitating organizations to acquire flexible and permanent workforce in order to enhance productivity, quality and helping the company to reduce employment related risk.

PERMANENT STAFFING

We would take on selection assignments at Top, middle and junior level positions based on a thorough understanding of the job specifications, organization culture and other critical attributes required for the specific position. These assignments would be handled by our Sourcing team with excellent network and experience to look for the right candidate for any given role.

Our Sourcing team would specifically head hunt profiles and submit the same to the Organization after preliminary interviews. We also provide referral checks with detailed comments on the candidates' profiles and maintain contact with the candidate/s till such time that they join time.

Our core process involves

- ◆ Database search
- ◆ Assessment
- ◆ Media planning and Advertisement
- ◆ Identifying potential resources
- ◆ Evaluating resources
- ◆ Orienting resources
- ◆ Short-listing candidates
- ◆ Testing – in progressive phases leading up to the final round
- ◆ Reference checks
- ◆ Salary negotiations

CLIENTS

Tudor takes pride to inform you that we have a deluge of organizations as our clients and are at present serving them to the best of our abilities and to their satisfaction.

We currently provide permanent / contractual staffing solutions in all verticals at the entry, middle and senior level segments.

We are serving clients from different industries including:

- ◆ *IT & ITES*
- ◆ *Construction*
- ◆ *Infrastructure*
- ◆ *Manufacturing*
- ◆ *Pharmaceuticals*
- ◆ *BFSI*
- ◆ *FMCG*

We would welcome the privilege to meet with you and discuss the requirements and get an understanding of your new challenges.

We are confident that some of our new solutions may be exactly what you are looking for.

Assuring you the Best of Services and Quality.
